

# AI ENABLED ERP FOR FOOD & BEVERAGES

## HOW ERP IS EASY WITH FORMEZY?

Formezy - Beyond ERP for Food & Beverages

While ERP manages operations, Formezy (EAP) goes further - bringing agility, control, and real-time visibility to complex engineering processes. It unifies workflows, projects, and data on a single platform, enabling scalable and efficient operations across organizations of any size.

## WORKS WITH MULTIPLE INDUSTRIES

Beverage

Bakery

Snacks

Spices

Dairy

Function Food
